BSCIC Registered Symbol Display Conditions

The BSCIC Registered Symbol is for companies whose Management System(s) have been found conforming to relevant Management System Standards e.g., ISO 9001, ISO 14001, ISO 22000, ISO 45001, ISO 27001, ISO 13485, ISO 22301, ISO/IEC 20000-1 etc. by BSCIC. It is in your business growth interests to use our Symbol and we will be pleased to assist you for the same.

We would appreciate that the use of BSCIC Registered Symbol conforms to the requirements of the BSCIC.

A BSCIC Registered Company can use the BSCIC Registered Symbol in the following manner:

⇒ BSCIC Registered Symbol Bromide is provided along with the Registration Certificate.
⇒ Use same colour combination as per bromide or simply Black & White.
⇒ It can be used on Advertising and Business Promotional Materials, Business Cards, Letter Heads for correspondence, Office Interiors and Exhibition Counters.
⇒ It can be used on Electronic Media (e.g., Video Advertising, Web sites, Internet) along with the Registration number.
⇒ It can be used on the Vehicles along with your trademark next to it. In such case the Registration number is not required to be displayed.
⇒ Management Standard Reference can be put along with the Symbol.
⇒ Registration scope can be displayed on the electronic media.
⇒ Can use a statement on product packaging or in accompanying information that the organization has a certified management system.

Product Packaging is considered as that which can be removed without the product disintegrating or being damaged. Accompanying information is considered as separately available or easily detachable. Type labels or identification plates are considered as part of the product. The client shall in no way imply that the product, process, or service is certified by this means.
The statement shall include reference to:
a) identification (e.g., brand or name) of the client.
b) the type of management system (e.g., quality, environment) and the applicable standard.
c) Name of BSCIC

BSCIC will verify the use of any statement on Product packaging at the time of assessments.

A BSCIC Registered Company shall not use the BSCIC Registered Symbol in the following manner:

⇒ Shall not use the Symbol without the Registration Certificate Number
⇒ Shall not use the Symbol on a Product
⇒ Shall not use the Symbol too small to be read.
⇒ Shall not use the Symbol on a background that will impede readability.
⇒ Shall not use the Symbol in such a way as to state, imply or suggest that BSCIC accepts responsibility of any of the statement of conformity/approval.

⇒ Shall not use the Symbol in such a way which imply any certification/approval of the products tested, inspected, or certified.

⇒ Shall not use the Symbol for any Company name which is not registered by the BSCIC.

⇒ Shall not use the Symbol for any other product, service which is outside the scope of the BSCIC Registration

⇒ Shall not use the Symbol in such a way that it misleads to the product/service registration, not the Management System, which has been registered.

⇒ Shall not use the Symbol in size bigger than the Company's own symbol size.

⇒ Shall not use its certification in such a manner that would bring the BSCIC and/or certification system into disrepute and lose public trust.

⇒ Shall not use its symbol on Laboratory test, calibration, or inspection report.

Note: - The IAF MLA Mark shall not be used by BSCIC Registered organization.

A BSCIC Registered Company shall:

(i) amend all advertising matter when the scope of certification has been reduced.

(ii) upon suspension or withdrawal of its certification, discontinues its use of all advertising matter that contains a reference to certification, as directed by BSCIC.
